

JTF-SB ROTARY WING AIR MISSION REQUEST (AMR) FORM

AMR Number

Requesting Unit

Mission Date

Requestors Email

Purpose and Applicability of this Form

- The purpose of AMR Request Form is to provide thorough and accurately communicated information for requests for JTF-SB Rotary Wing (RW) assets.
- This form will be used for all units assigned to the JTF-SB or those who request the support of JTF-SB RW assets.
- This form is generally not needed when aircraft are allocated as Direct Support (DS) assets ISO JTF-SB missions.

Form Instructions and Notes:

Requesting / Supported Units:

*Requesting / Supported Units will fill out all sections with **Grey** titled sections. If a section is not applicable, type in N/A.*

- This form, along with a detailed CONOP will be **submitted NLT 7 WORKING DAYS** prior to mission execution.
- AMRs submitted outside of this window will be processed on a case by case basis, and will be based on JTF-SB / Aviation Task Force priorities, aircraft, and crew availability.
- AMRs may be submitted for day, night, weekends, holidays, etc.
- Units wishing to cancel AMRs will notify the JTF-SB J32 AMR Cell by phone or email as soon as possible.
- Supported Unit Reviewers will ensure that AMRs are submitted IAW the JTF-SB J-32 Air Mission Request (AMR) Standard Operating Procedures (SOP).
- Supported Unit Reviewers will be either a member of Requesting Unit BAE (or equivalent) or BDE S3 Operations Cell.
- No-Shows by the supported unit for any scheduled meetings, such as the Initial Planning Conference (IPC), Air Mission Brief (AMB) or for mission execution are to be reported through the AMR processing channels to the JTF-SB J-32 AMR Cell. Units with repeated No-Shows will risk future requests being denied or Not Supported.
- The Supported / Requesting Unit will submit a completed and up-to-date Passenger Manifest prior to mission execution (for missions that require passenger manifests).
- The Supported / Requesting Unit will complete a DD Form 2768 when required for VIP movements.

JTF-SB J-32 AMR Cell:

*JTF-SB J-32 AMR Cell fills out all **Red** titled sections.*

- Ensures AMRs are complete, prioritized, and processed IAW the JTF-SB J-32 AMR Standard Operating Procedures (SOP).

Aviation Task Force (TF) Plans:

*Aviation Task Force AMR Cell fills out all **Blue** titled sections.*

- Ensures AMRs are processed and supported IAW JTF-SB and Aviation TF Commander guidance and priorities.
- Updates the JTF-SB J-32 AMR Cell with AMR status updates and supportability IAW JTF-SB J-32 AMR Standard Operating Procedures (SOP), **NLT 4 working days** prior to mission execution.
- Coordinates an IPC date between the Supported and Supporting units, **NLT 4 working days** prior to mission execution.

Supporting Unit:

*Supporting AV Unit fills out all **Yellow** titled sections.*

- Supporting Units will ensure AMRs are supported IAW all Army, JTF-SB and FAA rules and regulations.
- Supporting Units will be present at all necessary pre-mission planning meetings.
